12 RELATED CASE ORDER

13 Examination of the above-captioned actions reveals that they are related within the
14 meaning of the Local Rules. “[B]oth actions involve similar questions of fact and the same
15 question of law and their assignment to the same Judge or Magistrate Judge is likely to effect a
16 substantial savings of judicial effort.” Local Rule 123(a)(3). The assignment of these matters to
the same judge is likely to effect a substantial savings of judicial effort and is likely to be
convenient for the parties.

17 The parties should be aware that relating cases under Rule 123 causes the actions to be
18 assigned to the same judge—it does not consolidate the actions. Under Rule 123, related cases
19 are generally assigned to the judge and magistrate judge to whom the first filed action was
20 assigned.

21 As a result, it is hereby ORDERED that
